OFFICIAL

Dear Mr. Swinehart:

I have just received the return post card acknowledging receipt of my response in the above application. My response was postmarked as registered mail in the French postal system on March 9 and was stamped as received on Mar. 16. The due date to meet the \$55 late fee fell on Sunday, and the US Consul was not able to time stamp mailings for the USPTO. I would appreciate if you could tell me if my response is in order or if I will need to pay additional late fees, and how to do this by telephone or online. I can call you if that is more convenient for you. My fax number is 011-33-493559776, and my email address is lfinklow@a9online.fr.

Thank you in advance for your assistance.

Lowell Fink
